### WSCA

The Western States Contracting Alliance (WSCA) was a group of 15 western states in NASPO that conducted cooperative purchasing. WSCA was a NASPO program. It was the oldest of NASPO's cooperative alliances and began in 1993. The current NASPO Cooperative began in 2006. In 2013, as WSCA became more successful and cooperative efforts grew, NASPO consolidated its two cooperatives and created the single member, non-profit, limited liability company, the NASPO ValuePoint Cooperative Purchasing Organization. This meets the increasing needs for resource assistance in cooperative procurement among all states nationally.
